Our STORY

Even six-years ago, NOYA Kathmandu as you see it - in all its exuberance and bliss - existed, albeit as a dream. To reach where it is today has taken many meticulous years of envisioning, planning, constructing, reconstructing, decorating and most of all, believing.

Left in shatters following the April 2015 Earthquake, the premise resembled a junk yard. Mr. Santosh Bahadur Shah took up the property with a vision to retain the neoclassical architecture, and within it revive the glory of the yesteryears through creativity, art, culture, food and more.

All these years, our in-house Coffee shop and restaurant has been frequented by many guests who shared their precious moments with us. We are eternally grateful for the love and support we have received over the years. Since then, NOYA has always believed in catering to its customers by providing personalised care. And more so with COVID-19 engulfing our lives and forcing us to adjust our understanding of normalcy.

Keeping in mind our mission of putting our Patrons' comfort and safety first, NOYA is moving into a new phase, a first of its kind, a 'Members Only' Club.

As we embark on this journey, we would like to acknowledge the role you've played in helping us realise our dreams and would like to express our warmest gratitude by extending you an opportunity to sign up as a member and continue your journey with us.

JOIN THE NOYA MEMBERS CLUB

MEMBERS CLUB

Our Patrons are at the heart of everything we do, always.

A 'Members Only' club was conceptualised many years ago, but it wasn't until we were in the midst of COVID that it grew as a real possibility. COVID prompted each of us to be more conscious of our space and surrounding, with government and health organisations mandating smaller social groups than we were previously used to.

In the past year and a half, we've made significant changes in our daily lives in a bid to adjust to the current circumstances. With that in mind, we've decided to close our gates to walk-in customers and cater specifically to our Patrons, who will, as part of NOYA, enjoy significant privileges and benefits.

As a valued member your benefits* at the hotel include-

1. Weekly Full Body assessment at our Physio & Sports Rehabilitation Centre
2. Complimentary 12 night-stays per annum at NOYA
3. 25% off on all food and beverages
4. Access to our in-house trained and certified Fitness Trainers & Physiotherapists
5. Access to our traditional Nepali manicurist/pedicurist

Afternoon Tea - Scones served with cream and house-made jam, baked goodies, gourmet sandwiches and freshly brewed leaf tea (Champagne & Wine on request) - has been a much-loved affair by our Patrons over the years. As members, not only do you get to enjoy this pomp and fair, but host a Tea Ceremony and invite friends and family for it.

The Bombay Club DUKES' BAR

The Bombay Club - Indo-Fusion Cuisine

The food in Bombay (Mumbai) is much like the city, a good mix of the people who make up its population. From Punjabi & South Indian to Iranian influences, it brings together the unique and the familiar.

Inspired by traditional Persian Cafes & restaurants in the commercial hub of India, The Bombay Club, is set to satisfy your taste buds with simple dishes like 'Bun-Maska' (Lavishly buttered, homemade bun) to Kebabs and Grills skillfully prepared by our Kitchen team, who have a collective experience of over 85 years of working in some of the finest restaurants and cafes in India.

From quick Lunches to relaxed evenings with your friends and family, the menu is designed to bring comfort home to you.

DUKES' BAR

Dukes' Bar was set up a number of years ago and has served many customers, some as renowned as Jonty Rhodes.

Neat shots, chilled alcoholic beverages, carefully tailored cocktails & non - alcoholic beverages, DUKES' Bar is equipped to serve your choicest drink. Traditional Drinks with a twist to compliment the food served at THE BOMBAY CLUB are also available to elevate your culinary experience with us.

NOYA SUITES

Where neoclassical architecture meets the traditional Nepali style of building, the premise holds 3 Annexes with 9 rooms. Some over-looking courtyards, some with balconies that'll take you back to Shakespearean love stories, some with bathtubs to indulge your appetite for calm self-indulgence, some with ceiling windows facilitating star gazing - but ALL of them deeply tied to history, culture, tradition and luxury.

Natural slate stones have been used on the floor and walls of the bathroom space, which is then polished using lemon and citronella oil to sanitize and revitalize it. With memory mattresses, recycled wooden furniture, Traditional Nepali handwoven floor mats sourced from Aji's Nepal (an organization that uses the knowledge and skills of senior citizens for its produce) among other things, each of these rooms have been designed with handpicked furniture and fixtures and are personalized to suit your needs.

The peace, calm & comfort you will experience in these rooms will match no other.

SPO^{rt}TS REHABILITATION

Fitness in this fast-paced life is an absolute necessity, but oftentimes we set goals that are not in sync with our body's needs and abilities. Fortunately, as our Patron, you have access to our Physiotherapy and Sports Rehabilitation Centre with a team of experts who have the technical know-how and appropriate tools.

Mr Bibek Bikrant Adhikari, our certified in-house trainer and physiotherapist, and his team are equipped to conduct a weekly full body analysis, check your fat percentage and the quality of bone and muscle and set personalized plans to achieve target goals in a safer, faster and more efficiently.
